

# WATCH OUT FOR SWEET-TALKERS

Many foreign tourists have recently come to police for victim reports. These visitors were approached by street callers in KABUKICHO area, taken to a bar or drinking location that non-Japanese citizens run, and then served very strong liquor. As a result, before they realized, their money or credit cards had gone.

**DON'T GET VICTIMIZED.** We'd like you to be fully aware of such malicious street callers or drinking places.

# 请小心！！ 别上拉客的圈套

最近，在歌舞伎町地区多次发生外国人旅客被拉客诱导致外籍人开的酒店等，被灌烈酒昏迷，偷盗金钱、信用卡等案。  
请注意别为恶劣拉客、黑店所害。
